

5 Step Written CRITIQUE Rubric:

	Exemplary 4 points	Proficient 3 points	Developing 2 points	Emerging 1 point	Score:
Observe					
Describe	Use complete sentences to write a description of subject matter, composition, materials, and how it was made (techniques or processes). OR Label ALL of these components on an illustrated diagram.	Write a description of three of the following concepts: subject matter, composition, materials used, and how it was made (techniques/processes). OR Label THREE of these components on an illustrated diagram.	Write a description of two of the following concepts: subject matter, composition, materials used, and how it was made (techniques/processes). OR Label TWO of these components on an illustrated diagram.	Write a description of one of the following concepts: subject matter, composition, materials used, and how it was made (techniques/processes). OR Label ONE of these components on an illustrated diagram.	
Analyze	Do this twice: Use complete sentences to make a connection between one Element of Art and one Principle of Design and describe where this connection is happening, how it is being used, and why this is important.	Do this once: Make a connection between one Element of Art and one Principle of Design and describe where this connection is happening, how it is being used, and why it is important.	Make a connection between one Element of Art and one Principle of Design and describe where this connection is happening and how it is being used.	An attempt is made to provide evidence but it does not connect an Element of Art to a Principle of Design.	
Interpret	Use complete sentences to cite and explain evidence that proves your interpretation of TWO of the following concepts are evident in the explanation: idea, purpose, theme, message, mood, perspective, story.	Cite and explain evidence that proves your interpretation of ONE of the following concepts are evident in the explanation: idea, purpose, theme, message, mood, perspective, story	An explanation of the intent or meaning of the art work is evident. One of the following concepts is evident in the explanation: idea, purpose, theme, message, mood, perspective, story	A guess of the artist's intent or meaning for the work is complete but it lacks an explanation.	
Evaluate	Use complete sentences to cite and explain evidence that proves your overall judgement or opinion of what is successful in the piece AND of what needs improvement in the piece. Explain your judgement using your description, analysis, and interpretation.	Cite and explain evidence that proves your overall judgement or opinion of what is successful in the piece OR of what needs improvement in the piece. Explain your judgement using your description and analysis or interpretation.	Cite and explain evidence that proves your overall judgement or opinion of what is successful in the piece OR of what needs improvement in the piece. Explain your judgement using your description or interpretation.	Only a simple judgement or opinion is given but it is not backed up with evidence or explanation.
